

Heidi's Team! (this is an example)

Heidi Rausch

1/24/2014

Abstract

Hope you write something really cool about your team here!

Introduction:

This semester I hope that everyone's teams uses the spellcheck function in Lyx (it's the icon with the ABC and the checkmark) and that you all remember to put your figures in floats and center them! If you forget how to do this feel free to ask me anytime! Please see figure 1 below. Please see table 1 below.

Figure 1: Turbidimeter
